5. **Brief Introduction about the School (highlighting important activities)**

There are four Departments under the School of Economics, Management & Information Sciences at present viz Economics, Commerce, Library & Information Sciences and Management. Economics Department is one of the oldest departments in the University. It was started in 1979 (during the era of then North Eastern Hill University Mizoram Campus). Then came the Department of Library & Information Sciences and also Commerce Department. The youngest Department under the School is Management. Teaching has been started since the last academic session in the department of Management. The Department has also published its First Semester Result.

Department of Economics completed successfully its project entitled Enhancing Trade Related Research Capacity Amongst Universities & Individual Researchers’ under United Nations Conference on Trade and Development (UNCTAD). For the first year under the project, rupees twenty five lakh has been spent. The project has been renewed for the second year. The worth of the second year Project would be rupees twenty two lakh. Various programmes that would be taken up include : Training-Workshop for fifteen days, International Seminar, granting fellowships, etc.

As requested by the Vice Chairman and Secretary of the State Planning Board Mizoram, the teaching faculty of the Department of Economics submitted the broad frame work of development plan of Mizoram giving their views priority, and emphasis in the matter.

3. Brief Introduction

The Department of Education is amongst the first three Post-graduate departments that were established in 1979 under the erstwhile Mizoram Campus of NEHU, at Aizawl. The department became functional in 1980 with the admission of students in one year M.Ed. Programme. This was however, later replaced by a two year M.Ed Programme for one academic session i.e. 1985-86. Thereafter the two year M.Ed Programme was replaced by M.A. Education Programme of 4 Semesters. The said M.A. Education Programme is still being offered by the department. The Department has also completed preparation of its first M.Phil syllabus and it is likely to be introduced from August, 2009.

The Department admitted 8 candidates in Ph.D programme during the reporting period out of which 5 have been registered. The main thrust areas are school education, higher education and educational psychology.

The School of Social Sciences came into being as an entity in the year 2002 through a notification issued by the Registrar, Mizoram University vide letter no. 5/3/05-Admn II/60, dt. 22/6/002. The School consists of the Department of Political Science, Public Administration, Psychology, History and Ethnography; and Social Work. The First School Board Meeting was held on the 4th July 2003. In the last six years the School has organized 13th Board Meetings. These Board Meetings are important as they examine and approve the syllabus of various departments as well as the PhD synopses for registration, prior to final approval of the Academic Council. The participation of the External Experts in the Board Meetings provides a special academic rigour to the proceedings. Besides, many important decisions pertaining to the academic matters of the departments are made at the School level during the HODs meetings of the School. These HODs meetings also take stock of the academic activities of the respective departments in a more systematic and organised way. The School of Social Sciences also arranges seminars and interactive sessions with important Resource Persons who are available on the campus.

3. Brief Introduction

The department is in its seventh year of existence with faculty strength of five. It is hoped that additional number of faculty may soon be recruited to enable the department to offer specialization in other areas than Modern India. Revision of the current syllabus is under way to accommodate the latest research in history with a special emphasis on interdisciplinary studies. For the first time, it is intended to introduce courses on Mizo history both at the PG and UG levels for which workshops and seminars will be held. The International Seminar on the Chins organized by the department in October 2008 was an important move in this regard.

The occupation of the new and permanent building in the Social Sciences complex in January 2009 was a welcome change for the department with more space now being available for such purposes as Archives, Project Room, Library, Research Scholars' Room, and additional rooms for classrooms. With faculty members as well as scholars actively engaged in research, the department is now poised to expand itself in various arenas of academic pursuits.

Objectives :

1. To explore and develop sustainable utilization of natural and biological resources of NER
2. To address global and regional environmental problems and tackle the regional problems or rich biodiversity, natural disasters and environmental pollution.
3. To develop bio-prospecting and enhance Environmental consciousness.
4. To familiarize with International and national Policies, Acts, Laws & Guidelines on Environmental Pollution, Wildlife, Biodiversity, Natural Resources and Environmental Impact Assessment notified by the Government from time to time.

3. Brief Introduction

The Department of Forestry was inherited from the erstwhile Campus of NEHU in the year 2001 upon the establishment of Mizoram University. It was established in the year 1990 under Mizoram Campus as a Post Graduate Department. It started its Ph. D. and M.Sc. programme in the year 1992 and 1997 respectively. The syllabus mainly focuses on the issues related to livelihood support and income generation. Following a major revision in the syllabus many new courses have been incorporated in the light of increased decentralization and participation in forestry sector at national level. The syllabus covers issues concerning sustainable management, conservation and development of all forest types, empowerment of rural poor through sustainable farming system. The thrust areas are Agro-forestry and Cropping System, Seed Technology and Tree Improvement, Sustainable Forest Management & Non-Timber Forest Products.

3. Brief Introduction

The Department of Forest Ecology, Biodiversity & Environmental Sciences (FEBES) was opened in July, 2002. The Department deals with relevant issues relating to the changing environment at the global, regional and local levels. The basic laboratory equipments of Ecology and Pollution Study Laboratory have been installed in the Department. The faculty members of this Department are constantly engaged in research activities and also rendering scientific knowhow to the people of the State.

3. Brief Introduction

The Department started functioning from May 2002 under the School of Forestry and Earth Sciences of Mizoram University. Prof. R.P. Tiwari, was the Founder Head of the Department. The Department envisions preparing competent, self-reliant, socially committed and inspired students capable of contributing significantly in the growth of the country with a fast growing population to meet the demand of natural resources (viz. hydrocarbons, metals and industrial minerals) and to mitigate the frequently occurring natural calamities like earthquakes, landslides, floods, draughts, and tsunamis etc. The department aims at: Imparting sound education in the subject at the postgraduate & doctoral levels and building a center of excellence for geological studies with good infrastructures in terms of teaching and research.

3. Brief Introduction

The Department was established in 2003 under the School of Forestry and Earth Sciences. Prof. R.C. Sharma (Retd.) from J.N.U. was invited to head the Department and establish it. He relinquished the responsibility in August 2003 after attaining superannuation age. Prof. R.B. Singh (Retd.) from B.H.U. was invited by the University to head the Department.

The Department started imparting teaching to 1st Semester students from August 2003 with the help of two guest lecturers. On the appointment of regular faculty in March 2004, Dr. G. Kumar, was appointed as the first Head of the Department.

The Department is actively engaged in developing its laboratory facilities and imparts specialized courses in Regional Planning as well as Remote Sensing/GIS and computer cartography.

Thus far, 12 students have qualified in NET (Lectureship) by the UGC and 1 NET (JRF).

3. Brief Introduction

The department of Horticulture, Aromatic and Medicinal Plants (HAMP) is a newly established department since July, 2007. Department has the expertise on exploration of traditional medicinal systems, conservation and agronomy of MAPs, isolation, identification, evaluation and formulation(s) of drug, cultivation and post harvesting technology of horticultural crops etc. The department has an intake capacity of 20 (twenty) students per academic session.

The main thrust area of the department is to produce trained man-power for survey, documentation, cultivation and scientific exploration of horticultural, aromatic and medicinal plants wealth of North- East region in general and Mizoram in particular. Owing to rich diversity of medicinal plants, climatic suitability for horticultural crops and potential of herbal based industry, dept will develop suitable agronomic practices and will facilitate technical know how for sustainable utilization of natural resources. The department will also explore the possibilities to develop alternative cropping systems by incorporating MAPs and horticultural crops for the region which otherwise is less productive.
