### 1. **Brief introduction of the Department :**

The Department of Economics, Mizoram University was started in 1979 under North-Eastern Hill University, Mizoram Campus, with one teacher and a handful of students. The student intake capacity was raised from 20 to 50 in 1996. This was later reduced to 40 again with the starting of Mizoram University in July, 2001. The functioning of the department has been hampered to some extent during the present period under report as senior faculty members have been given additional responsibilities in the administration.

### 1. Brief introduction of the Department :

The Department has entered its third year of existence with one Professor, two Lecturers and two Guest Teachers. The new syllabus was implemented from the August-December 2005 Semester, i.e., I Semester. The current strength of the teaching faculty limits the option for specialized papers to only one (1), which is Modern India. Students are exposed to developments in the history of humankind in their courses that are varied and wide-ranging, and these are investigated upon with intensiveness and thoroughness throughout the Two-Year M.A. Programme in the Department.

## SCHOOL OF FORESTRY & EARTH SCIENCES

*Dean : Prof.R.P.Tiwari*

The School of Forestry & Earth Sciences was established in Mizoram University in October 2001. The main objective of this School is to impart training to students and research scholars in various aspects of Forestry and Earth Sciences. The school consists of the Departments of Forestry, Forest Ecology, Biodiversity & Environmental Sciences (FEBES), Geography, Tribal Culture & Resource Management (Geography, TC & RM) and Geology. The first two Departments under this School are unique to this university in the entire Northeastern region as teaching and research in these subjects are available only in Mizoram University.

School Board Meetings :

1. Local School Board meeting held on 16.05.2005
2. Full School Board meeting held on 19. 10.2005

In the Local School Board meeting, panels of experts for selection committees for recruitment of faculty positions for all the four Departments under this School was approved of, along with the panels of paper setters/examiners. In the full meeting of the School Board, Ph. D. synopsis in respect of seven candidates were approved.

### **Other Academic Activities of the School :**

A state-of-the-art GIS and Remote Sensing facility was created at the School level during this period.

### 1. **Brief introduction of the Department :**

The Department of Geology is a recent but upcoming department under Mizoram University engaged in teaching and scientific research. The Department runs an M.Sc. program in Geology with ten students pursuing their Ph.D. research. The students are exposed to extensive field work and laboratory investigations. The uniqueness of the department lies in its research environments and location in a terrain of Paleogene and Neogene periods which provides the opportunity of close field observation to students and teachers. The syllabus of the department is modified from time to time in the light of contemporary developments and requirements of job markets.

### 9. Study Tour/ Field Trip :

#### **I Semester:**

Keibulamjao National Park (Manipur) from 31<sup>st</sup> Oct- 9<sup>th</sup> Nov. 2005

Phawngpui National Park (Mizoram) from 30<sup>th</sup> Jan - 11<sup>th</sup> Feb. 2006

#### **III Semester:**

Indian Institute of Forest Management, Bhopal from 12<sup>th</sup>-15<sup>th</sup> Jan. 2006

Bhopal Gas Tragedy Site on 16<sup>th</sup> Jan.2006

Bombay Natural History Society on 19<sup>th</sup>-21<sup>st</sup> Jan.2006

### 10. External Funded Projects :

Inventory of NTFP resources and livelihood strategies by the rural populace in Mizoram under GB Pant Institute of Himalayan Environment & Development, Kosi Katarmal, Almora, India. (Principal Investigator : Prof. H. Lalramnghinglova; Scholar : Mr. J. Lalremruata, JRF) on 30<sup>th</sup> March, 2005.

Short term project on Analyzing shifting agriculture as a component of village landscape and local livelihood in Mizoram under the project of Prof. K.G. Saxena, JNU, New Delhi; Supervisor Prof. H. Lalramnghinglova; Scholar : Mr. Alfred Malsawmsanga (Feb. - July, 2006).

### 12. Thrust Areas of Research :

Exploration of biodiversity and wildlife management in the Protected Areas of Mizoram.

Plant diversity and forest resources of Mizoram.

Inventory and management of NTFP resources - Medicinal Plants, Canes and Orchids etc.

Ecological and environmental pollution.

### 13. Any other information/activities of the Department :

Implementation of Avenue Plantation Scheme by planting seedlings near the Main Gate of the Mizoram University and the Academic Complex at Tanhril on 9th June 2005

Students of M.Sc ( FEBES & Forestry) were taken for a field visit to the Vanaspati Van Project at Chalfilh Nursery Centre/ plantation site on 23rd April, 2005.

Miss S.T. Lalzarzovi (III semester student) has been awarded PG Merit Scholarship for University Rank Holder in 2005 from UGC.

Miss Sheelawati Monlai qualified in the UGC-NET examination in December, 2005.

### 1. Brief introduction of the Department :

The Department was established in 2003 under the School of Forestry and Earth Sciences. Prof. R.C. Sharma (Retd.) from J.N.U. was invited to start the Department. He joined in May 2003 and later handed over the charge to Prof. R.B. Singh (Retd.) from B.H.U. The department started its teaching programme from August 2003 with the help of two guest lecturers - Dr. G. Kumar of Pachhunga University College and Dr. P.Rinawma of Hrangbana College. The Department is now actively engaged in developing its laboratory facilities and imparts specialized courses in Regional Planning as well as Remote Sensing/GIS and computer cartography. The Department provides computer / internet , photocopying facilities to its faculty and students. Six students have so far qualified in NET (Lectureship) and 1 NET (JRF) so far. The Department organizes study tours annually for II Semester students and assigns Research based Projects to IV Semester students focusing on the local conditions of Mizoram.

### 7. Seminars/Conferences/Workshops organized and attended :

The Department organized an Annual Conference of Geography Association of Mizoram on 17<sup>th</sup> November, 2005 in the Department of Geography, Tribal Culture & Resource Management.

The Department organized a Workshop for U.G. Teachers in view of the implementation of New Syllabus in Geography from 2005 in the Deptt. of Geography, Tribal Culture & Resource Management, Mizoram between 17<sup>th</sup>-20<sup>th</sup> May, 2005.

### 8. Study Tour/Field Trip :

Study tour is a part of the curriculum in the II Semester providing practical exposure to the students at specialized industries of national importance to acquire practical knowledge of Geography. To complete this curriculum, the students of II Semester under the guidance of Dr. P.Rinawma, Reader of the Department visited Vadodara, Ahmedabad, Goa and Mumbai during 4<sup>th</sup> - 24<sup>th</sup> February, 2006 and studied Indian Petrochemicals Corporation Ltd. (IPCL), Baroda Co-operative Milk Producers' Ltd., Gujarat Industries Power Company Ltd. (GIPCL) at Vadodara and even the nature and characteristics of sea waves.

Field trips to the area of study for IV Semester students was organized wherein 19 villages were covered in connection with their course-related Projects ( December - January, 2005 )

### 1. Brief introduction of the Department.

The Department of Physics was opened in the year 2003 and admitted its first batch of M.Sc. students in August 2003. The Board of Post-Graduate Studies in Physics was constituted in November 2005 and it revised the M.Sc. syllabi in courses PHY 203: Computer Programming and Environmental Science. Two new special papers in course PHY403: (i) Advanced Condensed Matter Physics and (ii) Advanced Electronics were introduced. The Department introduced computational facilities with FORTRAN 77 and 95 compilers which works on DOS and LINUX environment. The department has electronics, optics and general laboratories for existing courses. A computer laboratory has also been set up in the department.

**7. Seminars/Conferences/Workshops etc. organized and attended :**

To mark the occasion of the celebration of International Year of Physics, a one-day seminar was held on 8<sup>th</sup> December 2005 in which teachers from various colleges participated. The department of Physics also conducted a training programme in FORTRAN programming for the physics teachers of under graduate colleges as a part of the B.Sc. curriculum. Research activities related to condensed matter physics is actively going on at the department.

**8. External funded projects etc :**

A Study of Electromagnetic Response Near a Metal Surface and its Application to Photoemission.

### 11. Thrust Areas of Research :

Electrodynamics of the surface of metal.

Photoemission studies of metals and semiconductors by using the free electron model, Kronig Penney model, Mathieu potential.

Application of Projection Operator method of Group Theory in the study of photoemission. Femtosecond phenomena and Two photon Photoemission.

Electronic band structure calculations by using the Density Functional Theory (Full-Potential Linearised Augmented Plane Wave method).

**12. Any other Information/Activities of the Department :**

Dr. B. Indrajit Sharma, Lecturer in Physics, Assam University, Silchar, had visited Department of Physics, Mizoram University, to do collaborative research works with Dr. R. K. Thapa in December 2005.

Prof. G. Mukhopadhyay of I.I.T, Mumbai also visited the Department of Physics. As Visiting Professor in November 2005, and had interaction with Dr. R. K. Thapa with regard to the calculations of vector potential in the vicinity of surface of metal. Prof. Mukhopadhyay is also a collaborator in the CSIR sponsored research project with Dr. R.K. Thapa.

**1. Brief introduction of the College :**

The College, then named ‘Aijal College’ was established on 15<sup>th</sup> Aug., 1958 to become the first institution of higher education in Mizoram. It was founded and managed by a group of Mizo elders. Pu Pachhunga, the leading entrepreneur of the day donated a substantial amount of money for the college and the college was thereafter named Pachhunga Memorial College.

In 1965 the college was provincialized by the Assam Government and the college was renamed Pachhunga Memorial Government College, commonly known as PMG.

On April 19<sup>th</sup>, 1979, the North-Eastern Hill University adopted and upgraded the college as its only Constituent College to become a pace-setting institution. The college eventually received its fourth name Pachhunga University College or PUC in short.

Again, on July 2<sup>nd</sup>, 2001 the college was taken over by the Mizoram University as its Constituent College. The name Pachhunga University College (PUC), however remained changed.

The distinctive feature of the college is its unique setting- a couple of kilometers down a hill, away from the hub of the Aizawl town is the sprawling 760 acres Campus. Its lush green vegetation, the result of 30 yrs of nurturing the semi-isolated campus, wide-open space with luxuriant natural vegetation provide an excellent atmosphere of learning for its student and teacher community.

The college caters courses upto Honours level in 19 subjects in the area of Arts, Science and Commerce streams. The academic programme include, apart from effective class room teaching, two terminal exams, periodic class tests, Seminars, assignments, remedial courses, and study tours at national level.

**Name of the Department** : **Examinations**  
**Aizawl, Post Box : 190. Pin: 796 001**  
**Ph : 0389 2342383**

### 1. **Brief introduction and activities of the Department :**

The Examinations Department is entrusted with the preparation, conduct and declaration of results of the Under-Graduate examinations in Arts, Science, Commerce and Home Science of the 23 (twenty three) affiliated Colleges as well as the Post-Graduate examinations in Arts, Science, Commerce, Social Work and Library & Information Sciences of the 16 (sixteen) Departments of the University. It has also conducted examinations for vocational Courses like Bachelor of Education (B.Ed), Bachelor of Law (LL.B.), Bachelor of Science (Nursing), Bachelor of Computer Applications (B.C.A.), Bachelor of Pharmacy (B.Pharm) and Bachelor of Science in Medical Laboratory Technology (M.L.T.). During the period under report, the Examination Department has declared 4 (four) results of the Research Scholars for award of the Ph.D. Degrees.

Due to the shortage of man-power, the Examinations Department is divided into two Sections only, viz. the Under-Graduate and Post-Graduate Sections. The Under-Graduate Section deals with the conduct of Under-Graduate examinations, registration of students, issue of provisional certificates etc. The Post-Graduate Section deals with the conduct of all examinations (except the Under-Graduate examinations), issue of Degree Certificates, general administration and above all, confidential matters.

Shri R.Zodingliana, Asstt. Registrar (P.G.) has attended “National Seminar on Examinations Reforms in Higher Education : Evaluation of the Examination System” between 5<sup>th</sup> - 7<sup>th</sup> October, 2005 at Gauhati University, jointly organised by Association of Indian Universities (AIU) and Gauhati University, Guwahati.

### 1. Brief introduction and activities of the Department:

The Health Centre was established in 2001 at Chanmari, Aizawl. The Medical Officer and staff conduct a weekly clinic at Pachhunga University College. The Centre provides basic facilities for curative and preventive measures and plays an important role in educating and monitoring the health status of the students, staff and their dependants. A full-fledged Laboratory for blood, urine and stool examination is not yet available, but certain investigative procedures like examination of blood sugar, malarial parasites etc are available. The clinic looks forward to a well-equipped laboratory and increase in man-power in order to provide better health facilities in the near future.
